HONORABLE BOARD OF SUPERVISORS  
County of Los Angeles  
501 Hall of Records

. Gentlemen:

Subject: ANNEXATION OF A PORTION OF A COUNTY  
HIGHWAY TO THE CITY OF LONG BEACH

Amendments to the Government Code enacted by the 1955 Legislature permit the Board of Supervisors to initiate proceedings whereby unincorporated territory consisting solely of highways, or portions thereof, and bounded on both sides by city boundaries, can be annexed to one of the adjacent cities. The reason for annexing such unincorporated highways to adjacent cities is to remove a confusing problem of control and supervision over performance of governmental services on such highways, which confusion also results in inconvenience to the public, particularly abutting property owners.

On October 9, 1956, the City Council of the City of Long Beach adopted Resolution No. C-16041 requesting the Board of Supervisors to effect the annexation of a portion of a County highway described as Increment 150 to the City of Long Beach. This portion of unincorporated territory, consisting solely of a highway, has been approved by the Los Angeles County Boundary Commission as required by law. The City of Lakewood which bounds this increment on the opposite side, has no objection to this proposed annexation to the City of Long Beach.

This office and the County Engineer have investigated this proposal and concluded that it would be advantageous for the County to effect the annexation of this portion of a County highway to the City of Long Beach. Proceedings are initiated by the Board of Supervisors by passing a resolution of intention to cause the annexation and filing a notice of a public hearing. Subsequent to the hearing, a majority vote by your Board will make the final decision on the proposed annexation.

IT IS THEREFORE RECOMMENDED

That your Board adopt the attached resolution to cause this annexation, and to file notice of a public hearing thereon, in accordance with the provisions of Government Code Sections 35450-58.

Very truly yours,

ARTHUR J. WILL  
Chief Administrative Officer

Dear Miss Heartwell:

Re: Proposed annexation to the  
City of Long Beach  
"Increment No. 150"

Dear Miss Heartwell:

At the meeting held on August 22, 1956, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Walhfred Jacobson, City Attorney, Suite 600 City Hall, Long Beach 2, with his letter of August 7, 1956, of the proposed annexation of territory to the City of Long Beach.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,
